- Go through the guidelines and Fill the registration form.
- Help will be provided in filling the form and about charges, if any, for MIIF services

- IFC (Incubatee Facilitation Committee) evaluates the application, suggests changes, if needed and recommends for approval/rejection. Grade of Incubatee will be identified.
- IMC (Incubator management Committee) approves/modifies/rejects the recommendation.

- Registration number, Letter and Certificate will be issued
- Agreement between MIIF and Incubatee is entered. This includes payments for specific services, equities, contribution, etc, if any.

(The above process can be completed between 2-10 days, depending upon, preparedness on the part of the Applicant)
